8d 13.3.25 18. The requirements of the temple as mentd by Mr. K. Krishnamurti Rao seem to be rather too exaggerated. We have already sanct. 2000 Rs from the Distt. funds and a further sum of Rs. 940 from the Dt. Earnings of the G. Mgt. And considering the fact that the temple is situated in an out of the way place near Mayavaram, the case has been treated with much liberality. Spacing Another 21,000 Rs. for the temple from Govt. funds seems excessive. Out - the question

The committee have been also informed that in case they are prepared to contribute half the cost of re-tailing certain deities & temple-fronts Rather than attempting giving them Mani Mantaps would be considered by Govt

Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

With reference to your letter No.1004/Muz.121-24-3 dated the 8th January 1925 forwarding for report petition from Mr. Karnik --- Krishnamurthi Rou praying that Government may undertake at their - cost the execution of the remaining items of work of the Sri Someswaraswami temple at Magadi, I have the honor to forward herewith -- copy of letter No.O.C.1070/24-25 dated the 5th instant received from the Deputy Commissioner Bangalore District submitting 10 estimates aggregating Rs.18,970/- for the repairs of the temple and stating - that there is a sum of Rs.600/-with the renovation committee and - that Mr. Karnik Krishnamurthi Rou on behalf of the Committee prays that the balance of the estimated amount together with Rs.4000/- -- being the cost of preparing Vigrahas and ~~their~~ than instalation may be granted from State funds, the grant being spread over a number of - years, and the works being taken up in order of their urgency. He also states that the Committee represent that they would contribute either in cash or labour to the extent of Rs.2,000/-.

There are no funds to spare from the State grant of this year As there is vast difference between what the committee proposes to collect and the aid expected from Government the committee may be - asked to come with some substantial contribution amounting to not - less than, half the cost before hand.

Estimates plans and other enclosures received with the Deputy

Commissioner's letter referred to above are herewith submi
kind perusal and return.

I have the honor to be,

Sir,

Your most obedient servant,

Letter No.C.C.1070 of 24-25 dated 3/8th February 1925 from the Deputy Commissioner, Bangalore District to the Muzrai Commissioner in Mysore.

"I have the honor to forward herewith ten estimates aggregating Rs.18,970/- for the repairs to the Sri Someswaraswami temple at Magadi and to state as follows:--

2. The Government in their order No.1508-9/Muz.37-23-9 dated 24th April 1924 sanctioned an estimate for Rs.5879/- for the repairs of a portion of the Sri Someswara Swami temple at Magadi on condition that one half of the cost should be paid from the collection made by the Renovation com ittee and the other half from the State grant. The renovation committee have furnished accounts till the end of June 1923. Upto that date, a sum of Rs.4,800/- was collected of which a sum of Rs.1962-8-0 was paid towards their quota for the repairs and a sum of Rs.1382-8-0 for the acquisition of survey No.4 of Vaddarpalya leaving a balance of Rs.1455/-. Out of this balance, a sum of Rs.200/- was advanced for the Rathotsavam expenses of the two previous years. The amount that remains now with the committee therefore is Rs.1255/-. Mr. Karnic Krishnamurthi Rao writes in his letter dated 1st December 1924 that out of Rs.1300/- that was with the committee a sum of Rs.450/- has been advanced for the purchase of a car to the temple and Rs.300/- more would be required to complete the bargain. As per his statement the amount now available with the committee is only Rs.600/-.

3. The Executive Engineer has sent the marginally noted ten estimates aggregating Rs.18,970/- ---- prepared at the request of Mr. Karnic Krishnamurthi Rao who explained that they were prepared as per verbal ------ instructions given by the 2nd Member of Council during his visit at the time of last -- year's Jatra. The work has been split up into ten sections so that each may be taken up separately as funds permit. Of these, 1st, 2nd, 8th and 10th have to be taken up first and the others later on after these are completed.

1.	Sri Someswaraswami temple	Rs.1242/-
2.	Sri Parvathi Ammanavaru "	" 3782/-
3.	Nagavalli Mantap.	1831
4.	Kalyana Mantap	1228
5.	Yagasala	365
6.	Durbar Mantap	1019
7.	Rani Huzur Mantap	422
8.	Chendikeswara temple mantap at right and compound.	507
9.	Front and read Mahadwaram	3424
10.	Kitchen and Vahana mantap	2527
11.	Contingency	821
12.	Tools and plant charges	1802
	Total.	18,970

4. It is necessary to mention here that in the sanctioned estimate

estimate for Rs.5897/- a sum of Rs.432/- was provided the shutters of the gate way of the temple. The Executive writes in his letter No.195 dated 26th July 1924 that Mr. K. murthi Rao represented to the Chief Engineer that the above said amount might be utilized for repairing the Ammanavaru temple and accordingly the Chief Engineer ordered him to take up that work in preference to the work of repairing the shutters. The Executive Engineer found that both the works are equally necessary and has sent an estimate for Rs.500 for the urgent repairs to the Ammanavaru temple. A copy of the ---- Executive Engineer's letter together with estimates and accompanying report are forwarded herewith for favour of sanction.

5. As regards the funds required for the execution of these works Mr. Karnick Krishnamurthi Rao represented that only a sum of Rs.600/- is available with the committee and that the committee can collect subscriptions to the extent of Rs.2,000/- more or undertake to get --- proportionate work costing the said sum, executed by them. He prays on behalf of the committee that the balance of the estimated amount together with the cost of preparing Vigrahas Rs.2,000/- and their installation charges Rs.2,000/- may be granted from the State grant year by year. As the execution of all or any of these items of work depends upon the funds that could be made available out of the State grant for the purpose., I submit the matter for favour of consideration and orders.

6. The two plans received from the Executive Engineer are also forwarded herewith."
